Re: W&L Discovery Requests—In the Matter of the Application of U.S. Bank National Association, et al. (N.Y. Sup. Ct. No. 652382/2014)

Dear Mike:

I write on behalf of The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A. (collectively, "BNYM") in response to your email of June 30, 2015 concerning the discovery requests propounded by W&L Investments, LLC ("W&L") in the above-referenced matter. As indicated in The Trustees' Response to W&L's First Set of Discovery Requests, dated January 30, 2015, BNYM has searched for documents responsive to your requests. To the extent that any responsive, non-privileged documents exist, they have been produced. Any privileged documents that are otherwise responsive to your requests will be included on BNYM's privilege log.

With respect to the three interrogatories included in your discovery requests, BNYM hereby supplements the responses provided on January 30, 2015 as follows:

- Interrogatory No. 1: We are not aware of any BNYM employee or agent with knowledge of topics (a) and (b) enumerated in Interrogatory 1.
- Interrogatory No. 2: Topics (a) and (b) enumerated in Interrogatory 2 were considered by Professor Fischel and his analysis of such issues is set forth in his expert report dated July 17, 2014. BNYM employees or agents who read Professor Fischel's expert report will have knowledge of his analysis.
- Interrogatory No. 3: BNYM has no records of repurchase activity in connection with the Chase 2007-A3 and Chase 2007-S6 trusts. Therefore, no BNYM employee or agent has knowledge of such activity.
